With all my heart

by [MiaQc](#)

Summary

I wrote this story shortly after reading Taking Turns by orphan_account.

I love Minerva with all my heart, even if she was a slave. She loves me back, even if I was a rich merchant's daughter. So we decide to make love that night.

All the characters are older than 18 years.

Notes: To be honest, I don't know "Pirates!" at all. I read the book's summary and thought the two heroines could be a couple. Here you go.

My name is Nancy. I love Minerva with all my heart, even if she was a slave. She loves me back, even if I was a rich merchant's daughter. So we decide to make love that night.

I am lying next to Minerva. We're both naked.

"So," Minerva asks me nervously. "Who goes first?"

"You?" I replied, a little embarrassed.

"Alright."

Minerva places her hands at the base of my neck and moves them down to my breasts. I gasp as she touches them.

"Is everything all right?" Minerva asks me.

"Yes, you can continue."

Minerva gently rubs my breasts. I moan in surprise and want to touch my lover. I run my fingers through her hair and kiss her.

"Oh, Nancy." She says to me. "Again, please."

I give her another kiss and then I also touch her breasts. We discover each other. Our bodies react at the same time. Surprise, fear, pleasure. When it comes time to touch our entrances, we are both nervous, but ready. We rub each other's pussy, we moan. Our entrances get wet.

"Ready?" Minerva asks me. "On three."

"Right. One."

"Two."

"THREE!" We shout at the same time.

I stick a finger in Minerva's pussy. At the same time, she puts a finger in mine. Our bodies jerk and electrify with pleasure.

"Ohhhhh, Nancy!"

"Minerva, Minerva!"

We stimulate our G-spots until we both come at the same time. Then I embrace Minerva.

"May nothing stand between us." I said, kissing her forehead.

"Yes, you and I are united forever." She answered me. "We need to sleep now."

"I want to, but wouldn't it be better to clean the bed sheets first?"

We've done some messes with our loves. Minerva giggles and I laugh with her.
